To  
The Chairman/CEOs of all Mortgage Guarantee Companies

Dear Sir,

**Master Circulars – Mortgage Guarantee Companies**

As you are aware, in order to have all current instructions on the subject at one place, the Reserve Bank of India had issued a Master Circulars on the captioned subject, which is now updated up to 30th June 2009. It may be noted that the Master Circular consolidates and updates all the instructions contained in the notifications listed in the Appendix, in so far they relate to **Mortgage Guarantee Companies**. The Master Circular has also been placed on the RBI web-site (<http://www.rbi.org.in>). A copy of the revised Master Circular is enclosed.

Yours Sincerely,

**(P. Krishnamurthy)**

  - (e) fails to -
    - i) comply with any direction issued by the Reserve Bank of India; or
    - ii) maintain accounts, publish and disclose its financial position in accordance with the requirements of any law or any direction or order issued by the Reserve Bank of India; or
    - iii) submit or offer for inspection its books of account or other relevant documents when so demanded by the Reserve Bank of India.

### **Essential features of a mortgage guarantee**

9. The essential features of a mortgage guarantee contract shall be as follows:
- (a) it shall be a contract of guarantee under Section 126 of the Indian Contract Act, 1872;
  - (b) the mortgage guarantee contract shall be unconditional and irrevocable and the guarantee obtained shall be free from coercion, undue influence, fraud, misrepresentation, and/or mistake under Indian Contract Act, 1872 ;
  - (c) it shall guarantee the repayment of the principal and interest outstanding in the housing loan account of the borrower, up to the amount of guarantee;

(d) the guarantor shall pay the guaranteed amount on invocation without any adjustment against the realisable value of the mortgage property;

(e) it shall be a tri-partite contract among the borrower, the creditor institution and the mortgage guarantee company, which provides the mortgage guarantee.

10. The mortgage guarantee company shall not carry on insurance business.

### **Minimum Capital requirement**

11. A mortgage guarantee company shall have a minimum net owned fund of Rs.100 crore at the time of commencement of business, which shall be reviewed for enhancement after 3 years.

### **Capital Adequacy**

12. A mortgage guarantee company shall maintain a capital adequacy ratio of ten percent (10%) of its aggregate risk weighted assets of on balance sheet and of risk adjusted value of off-balance sheet items or any other percentage that may be prescribed by the Reserve Bank of India for the purpose, from time to time.

13. A mortgage guarantee company shall maintain at least six percent (6%) of its aggregate risk weighted assets of on balance sheet and of risk adjusted value of off-balance sheet items as Tier I capital.

### **Prudential and accounting norms**

14. The mortgage guarantee company shall be required to comply with various prudential guidelines including those relating to income recognition, asset classification, provisioning, classification and valuation of investments and prudential exposures that are issued by the Reserve Bank of India from time to time.

15. The mortgage guarantee company shall also comply with all the relevant Accounting Standards and Guidance Notes issued by the Institute of Chartered Accountants of India from time to time.

16. No single guarantee shall exceed 10% of the company's Tier I and Tier II capital.

### **Funding options**

17. (1) **Acceptance of public deposits** - Mortgage guarantee companies shall not accept public deposits.

17. (2) **External Commercial Borrowings** - Mortgage guarantee companies shall not avail External Commercial Borrowings.

### **Creation and maintenance of Reserves**

#### **Contingency Reserves:**

18. A mortgage guarantee company shall create and maintain a "Contingency Reserve" on an ongoing basis. The mortgage guarantee company:

- (a) Shall appropriate each year **at least** forty percent (40%) of the premium or fee earned during that accounting year or twenty five percent (25%) of the profit (after provisions and tax), whichever is higher, to the Contingency Reserve;
- (b) In case of inadequate profits, such appropriation shall either result in or increase the amount of carry forward loss;
- (c) May appropriate a lower percentage of the premium or fee earned during any accounting year when the provisions made each year towards losses on account of settlement of mortgage guarantee claims exceeds thirty-five percent (35%) of the premium or fee earned during that accounting year;
- (d) Shall ensure that the Contingency Reserve is built up to **at least five percent** (5%) of the total outstanding mortgage guarantee commitments;

- (e) Shall retain the amounts appropriated each year to the Contingency Reserve for a minimum period of seven (7) subsequent years which shall be eligible for reversal only in the eighth year subject to the condition in 18(d) above;
- (f) Shall utilize the Contingency Reserve only with the prior approval of the Reserve Bank of India;
- (g) Shall show the amount of 'Contingency Reserve' as a separate line item on the liability side of the balance sheet; however, Contingency Reserve may be treated as 'free reserve' for the purpose of net owned fund.

#### **Accounting of Unearned Premium**

- 19. A mortgage guarantee company shall account the premium or fee on the mortgage guarantee contracts as an income in the profit and loss account in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India. The amount of unearned premium shall be shown as a separate line on the liability side of the balance sheet.

#### **Provision for losses on invoked guarantees**

- 20. A mortgage guarantee company is exposed to a potential loss when its guarantee is invoked. Mortgage guarantee companies shall hold provisions for losses in respect of such invoked guarantees pending recovery of assets. The amount of provisions required to be held shall be equal to the contract-wise aggregate of 'amount of invocation' after adjusting the realisable value of the assets held by the company in respect of each housing loan where the guarantee has been invoked. In case the realisable value of the assets held in respect of any invoked guarantee is more than the amount of invocation, the excess shall not be adjusted against the shortfall in other invoked guarantees. In case the amount of provisions already held is in excess of the amount as computed above, the excess shall not be reversed. The amount of provisions made each year shall be shown as a separate line item in the Profit and Loss

Account. The amount of provision held for losses on settlement of invoked guarantees shall be shown as a separate line item on the liability side of the balance sheet.

### **Provision for 'Incurred But-Not-Reported (IBNR) losses'**

21. A mortgage guarantee company is exposed to a potential loss when there is a default in a housing loan guaranteed by it. Mortgage guarantee companies shall hold provisions in respect of such defaulted housing loans where the trigger event is yet to occur or the guarantee is yet to be invoked. The potential loss to which the guarantee company is exposed to is referred to as 'Incurred-But-Not-Reported (IBNR) losses'. The amount of provisions required to be held shall be arrived at on an actuarial basis depending upon the estimates of loss frequency and loss severity for incurred but not reported losses which are derived from historic data, trends, economic factors and other statistical data in relation to paid claims, the provisions held for claims settled, risk statistics, etc. In case the amount of provisions already held is in excess of the amount as computed above, the excess shall not be reversed. The amount of provisions made each year shall be shown as a separate line item in the Profit and Loss Account. The amount of provision held for Incurred But-Not-Reported (IBNR) losses shall be shown as a separate line item on the liability side of the balance sheet.

### **Requirement of maintaining Register of guarantees**

22. Every mortgage guarantee company shall keep one or more registers in which shall be entered the particulars of guarantee provided by the company, namely,

- (a) name and address of the borrower/co-borrower,
- (b) date and amount of loan sanctioned to the borrower,
- (c) brief description of the property including the site/location of the property,
- (d) the nature of security available for the loan,

- (e) tenure of the loan,
- (f) amount of each installment and due date for the payment of each installment,
- (g) name and address of the bank or housing finance company to whom the guarantee has been provided,
- (h) date and amount of the guarantee, and
- (i) duration of the guarantee.

### **Mortgage guarantee company's obligations**

23. The liability of the mortgage guarantee company in respect of a secured housing loan granted by a creditor institution where the mortgage guarantee company has provided a guarantee shall be as stipulated in the contract of guarantee entered into by and between the mortgage guarantee company, the creditor institution and the borrower.
24. On any day after a trigger event, the creditor institution, which has obtained a mortgage guarantee from a mortgage guarantee company, shall be entitled to invoke the guarantee against the mortgage guarantee company.
25. The mortgage guarantee company shall make good the guarantee liability without demur as and when a notice of demand for the payment of the guarantee liability in respect of the mortgage guarantee provided by it in favour of a bank or a housing finance company is received by it.
26. If a housing loan turns into a non-performing asset and the creditor institution prefers first to realize the loan by resorting to speedy recovery procedures prescribed in the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 and the creditor institution, realizes some amount of the loan from the borrower, the liability of the

mortgage guarantee company in respect of the loan, will stand reduced to that extent.

27. No mortgage guarantee company shall provide mortgage guarantee for a housing loan with 90% and above LTV ratio.

**Due diligence to be exercised by a mortgage guarantee company**

28. Before offering to provide a guarantee for the repayment of a housing loan, the mortgage guarantee company shall be required to be satisfied, amongst others, with the following;

- (a) that the loans are secured by a valid mortgage;
- (b) that the creditor institution has verified title to the property, marketability of the property and credit worthiness of the borrower;
- (c) that the creditor institution has verified the use of the land on which a house or residential property is constructed or proposed to be constructed out of the loan obtained from it;
- (d) that the creditor institution has verified and obtained a copy of the permission obtained by the borrower from the proper authorities for the purpose of construction of the house or residential property; and
- (e) that the loan granted by a creditor institution to a borrower is not more than 90% of the value of the property.

**Prohibitions**

- 29.(1) A housing loan which is not secured by a valid mortgage of the house / residential property that is or is proposed to be acquired by such loan shall not be eligible for a mortgage guarantee from a mortgage guarantee company.

**No commissions, rebates or inducements**

29.(2) A mortgage guarantee company shall not pay commissions, rebates, or other inducements for referral of mortgage guarantee business to any person.

**Prohibition on guaranteeing mortgage originations of Related Party**

29.(3) A mortgage guarantee company shall not provide guarantees on mortgage originations of promoters, its / their subsidiaries, associates and related parties or subsidiaries, associates and related parties of mortgage guarantee company including companies where the mortgage guarantee company has a material investment or interest of five percent (5%) or more of the shareholding.

**Investments**

29.(4) A mortgage guarantee company shall not invest in notes or other evidences of indebtedness secured by a mortgage or other lien upon real property. This section shall not apply to obligations secured by real property, or contracts for the sale of real property, which obligations or contracts of sale are acquired in the course of the good faith settlement of claims under policies issued by the mortgage guarantee company, or in good faith disposition of real property so acquired.

**Constitution of Audit Committee**

30. A mortgage guarantee company shall constitute an Audit Committee consisting of not less than three non-executive Directors of the Board of the company, at least one of whom will be a Chartered Accountant.

**Policy for grant of guarantee**

31. The Board of Directors of a mortgage guarantee company shall frame a policy for the company for providing mortgage guarantee to creditor institutions. Such policy shall, inter alia, stipulate the following:-

- (a) the fee or premium chargeable for providing a mortgage guarantee based on specific identified criteria including the quantum of loan; LTV ratio; credit quality of the borrower; and credit appraisal / credit risk management skills of the bank or housing finance company,
- (b) delegation of power for providing a mortgage guarantee and to enter into a contract of guarantee,
- (c) delegation of power for taking a decision to make good the claims received from banks and housing finance companies, and
- (d) delegation of power for initiating proceedings for the recovery of its dues from the borrowers.

### **Scheme of Mortgage Guarantee**

32. For the purpose of providing mortgage guarantee, the mortgage guarantee company shall prepare a detailed scheme duly approved by its Board of Directors. The scheme shall contain, amongst others, the following matters:

- (a) the quality of a housing loan,
- (b) the maximum portion of a housing loan granted by a bank or a housing finance company to a borrower, that may be covered under the contract of guarantee,
- (c) the minimum and the maximum LTV ratio of a housing loan proposed to be covered under the contract of guarantee,
- (d) the fee or premium or charge indicating the manner for the payment thereof, payable by a borrower to the mortgage guarantee company in consideration for the contract of guarantee,
- (e) the liability of the mortgage guarantee company as to whether the liability will be co-extensive with that of the borrower or otherwise, and
- (f) the conditions governing the issue as to which party of the mortgage guarantee company or a bank/ housing finance company will be required

to effect recoveries from the borrower after the mortgage guarantee is invoked and the guarantee liability is made good by the mortgage guarantee company to the bank or housing finance company.

### **Counter-guarantee**

33. Whenever a mortgage guarantee company obtains counter-guarantee cover in respect of the housing loans guaranteed by it from another mortgage guarantee company, the mortgage guarantee company and the counter-guarantee company shall establish and maintain the reserves required for a mortgage guarantee company in India in appropriate proportions in relation to the risk retained by the original mortgage guarantee company and ceded to the assuming counter-guarantee company so that the total reserves established shall not be less than the reserves required under Indian law for a mortgage guarantee company. In case the counter-guarantee company is not regulated by the regulator(s) in India, the mortgage guarantee company guaranteeing the claim shall hold relevant reserves and provisions in respect of all outstanding mortgage guarantee contracts issued by it.

### **Exemptions**

34. The Reserve Bank of India may, if it considers necessary for avoiding any hardship or for any other just and sufficient reason, grant extension of time to comply with or exempt any mortgage guarantee company or class of mortgage guarantee companies or all mortgage guarantee companies, from all or any of the provisions of these guidelines either generally or for any specified period, subject to such conditions as the Reserve Bank of India may impose.

35. The Reserve Bank of India can give any clarification in respect of the above guidelines and such clarification shall be treated as part of these guidelines. The guidelines can be amended by the Bank from time to time.

(xiii) "Tier II Capital" includes the following:-

- (a) preference shares;
- (b) revaluation reserves at discounted rate of fifty five percent;
- (c) general provisions and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses and provisions made on standard assets, to the extent of one and one fourth percent of risk weighted assets;
- (d) hybrid debt capital instruments; and
- (e) subordinated debt,

to the extent the aggregate does not exceed Tier I capital;

(xiv) 'Turnover or business turnover' means the total mortgage guarantee contracts entered during the year together with the volume of business arising out of other activities undertaken during the year;

(2) Other words or expressions used but not defined herein and defined in the Reserve Bank of India Act, 1934 (2 of 1934) or Mortgage Guarantee Company (Reserve Bank) Guidelines, 2008 contained in Notification DNBS(PD)MGC)No.3 /CGM (PK) - 2008 dated February 15, 2008 shall have the same meaning as assigned to them under that Act or that Directions. Any other words or expressions not defined in that Act or that Directions, shall have the same meaning assigned to them in the Companies Act, 1956 (1 of 1956).

### **Income recognition**

3. (i) Income including interest/discount or any other charges on an asset which is NPA or on an asset which is NPA and is taken over from creditor institution on happening of trigger event shall be recognised only on cash basis.

(ii) A mortgage guarantee company shall account the premium or fee on the mortgage guarantee contracts as an income in the profit and loss account in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India. The amount of unearned premium shall be shown as a separate line on the liability side of the balance sheet.

(iii) In respect of any other business undertaken by the mortgage guarantee company as specified in Section 45 I (c) of the RBI Act, 1934 within the permitted limit, income shall be recognised as per income recognition norms prescribed for such assets as contained in the "Non-Banking Financial (Non - Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007".

#### **Accounting standards**

4. Accounting Standards and Guidance Notes issued by the Institute of Chartered Accountants of India (referred to in these directions as "ICAI") shall be followed insofar as they are not inconsistent with any of the provisions of these directions.

#### **Asset Classification**

5. (1) Every mortgage guarantee company shall, after taking into account the degree of well defined credit weaknesses and extent of dependence on collateral security for realisation, classify its assets, loans and advances and any other forms of credit into the following classes, namely:

- (i) Standard assets\*;
- (ii) Sub-standard assets;
- (iii) Doubtful assets; and
- (iv) Loss assets.

\* Assets acquired under guarantee obligations will not be classified as standard assets.

(2) The class of assets referred to above shall not be upgraded merely as a result of rescheduling, unless it satisfies the conditions as stipulated by the Bank from time to time, required for the upgradation.

### **Provisioning requirements**

**6. (1) Provision for losses on invoked guarantees:** A mortgage guarantee company is exposed to a potential loss when its guarantee is invoked. Mortgage guarantee companies shall hold provisions for losses in respect of such invoked guarantees pending recovery of assets. The amount of provisions required to be held shall be equal to the contract-wise aggregate of 'amount of invocation' after adjusting the realisable value of the assets held by the company in respect of each housing loan where the guarantee has been invoked. In case the realisable value of the assets held in respect of any invoked guarantee is more than the amount of invocation, the excess shall not be adjusted against the shortfall in other invoked guarantees. In case the amount of provisions already held is in excess of the amount as computed above, the excess shall not be reversed. The amount of provisions made each year shall be shown as a separate line item in the Profit and Loss Account. The amount of provision held for losses on settlement of invoked guarantees shall be shown as a separate line item on the liability side of the balance sheet.

(2) **Provision for 'Incurred But-Not-Reported (IBNR) losses':** A mortgage guarantee company is exposed to a potential loss when there is a default in a housing loan guaranteed by it. Mortgage guarantee companies shall hold provisions in respect of such defaulted housing loans where the trigger event is yet to occur or the guarantee is yet to be invoked. The potential loss to which the guarantee company is exposed to is referred to as 'Incurred-But-Not-Reported (IBNR) losses'. The amount of provisions required to be held shall be arrived at on an actuarial basis depending upon the estimates of loss frequency and loss

severity for incurred but not reported losses which are derived from historic data, trends, economic factors and other statistical data in relation to paid claims, the provisions held for claims settled, risk statistics, etc. In case the amount of provisions already held is in excess of the amount as computed above, the excess shall not be reversed. The amount of provisions made each year shall be shown as a separate line item in the Profit and Loss Account. The amount of provision held for Incurred But-Not-Reported (IBNR) losses shall be shown as a separate line item on the liability side of the balance sheet.

(3) Subject to what has been mentioned above, every mortgage guarantee company shall, after taking into account the time lag between an account becoming non-performing, its recognition as such, the realisation of the security and the erosion over time in the value of security charged, make provision against each class as provided hereunder :-

#### **(4) Mortgage guarantee assets**

The provisioning requirement in respect of mortgage guarantee assets shall be as under:

- |                      |  |
|----------------------|--|
| (i) Loss Assets      | The entire asset shall be written off. If the assets are permitted to remain in the books for any reason, 100% of the outstanding should be provided for;  |
| (ii) Doubtful Assets | <p>(a) 100% provision to the extent to which the advance is not covered by the realisable value of the security to which the mortgage guarantee company has a valid recourse shall be made. The realisable value is to be estimated on a realistic basis;</p> <p>(b) In regard to the secured portion, provision is to be made on the following basis to the extent of 20% to 100% of the secured portion depending upon the period for which the asset has remained doubtful:</p> |

<b><u>Period for which the asset has remained in doubtful category</u></b>	<b><u>% of provision</u></b>
Up to one year	20
One to three years	30
More than three years	100

( iii) Sub-standard assets      A general provision of 10% of total outstanding shall be made.

### **For Standard Assets**

Standard asset      Mortgage guarantee companies should make general provisions for standard asset on the following basis;

- (a) Guarantee cover for residential housing loans beyond Rs. 20 lakhs at 1%;
- (b) All other guarantee cover at 0.40%

Notes:

- (1) The provisions on standard asset should not be reckoned for arriving at net NPAs.
- (2) The provisions towards standard assets need not be netted from gross advances but shown separately as 'Contingent Provisions against Standard Assets' under 'Other Liabilities and Provisions Others' in the balance sheet.
- (3) It is clarified that income recognition on and provisioning against NPAs are two different aspects of prudential norms and provisions as per the norms are required to be made on NPAs on total outstanding balances. The fact that income on an NPA has not been recognised cannot be taken as reason for not making provision.

### **Other Activities**

7. A mortgage guarantee company can take up any activity up to 10% of its total assets. If a mortgage guarantee company undertakes any other business as specified in 45I(c) of the RBI Act 1934 within the permitted limit, for which Prudential Norms are already prescribed and the same is contained in Notification No. [DNBS. 193 DG\(VL\)-2007 dated February 22, 2007](#), as amended from time to time, the said norms for valuation of investments, asset classification and provisioning should be followed.

### **Accounting year**

8. Every mortgage guarantee company shall prepare its balance sheet and profit and loss account as on March 31 every year. Whenever a mortgage guarantee company intends to extend the date of its balance sheet as per provisions of the Companies Act, it should take prior approval of the Reserve Bank of India before approaching the Registrar of Companies for this purpose.

Further, even in cases where the Bank and the Registrar of Companies grant extension of time, the mortgage guarantee company shall furnish to the Bank a proforma balance sheet (unaudited) as on March 31 of the year and the statutory returns due on the said date.

### **Disclosure in the balance sheet**

9. (1) Every mortgage guarantee company shall separately disclose in its balance sheet the provisions made as per paragraph 6 above without netting them from the income or against the value of assets.

(2) The provisions shall be distinctly indicated under separate heads of account separately for mortgage guarantee business and others and individually for each type of assets as under :-

(i) provisions for bad and doubtful debts; and

(ii) provisions for depreciation in investments.

(3) Such provisions for each year shall be made from the profit and loss account.

### **Constitution of Audit Committee by mortgage guarantee company**

10. Every mortgage guarantee company shall constitute an Audit Committee, consisting of not less than three non-executive Directors of the Board of its company, at least one of whom will be Chartered Accountant.

Explanation I: The Audit Committee constituted by a mortgage guarantee company as required under Section 292A of the Companies Act, 1956 (1 of 1956) shall be the Audit Committee for the purposes of this paragraph.

Explanation II: The Audit Committee constituted under this paragraph shall have the same powers, functions and duties as laid down in Section 292A of the Companies Act, 1956 (1 of 1956).

### **Transactions in Government securities**

11. Every mortgage guarantee company may undertake transactions in Government securities through its CSGL account or its demat account:

Provided that no mortgage guarantee company shall undertake any transaction in government security in physical form through any broker.

### **Requirement as to capital adequacy**

12. (1) Every mortgage guarantee company subject to the condition that the net owned fund shall be a minimum of 100 crore rupees or such other amount that Reserve Bank of India may specify from time to time, shall maintain, a minimum capital ratio consisting of Tier I and Tier II capital which shall not be less than ten per cent of its aggregate risk weighted assets of its on balance sheet and of risk adjusted value of off-balance sheet items. Of the required capital ratio, it shall maintain at least 6% of its aggregate risk weighted assets as Tier I.

(2) The total of Tier II capital, at any point of time, shall not exceed one hundred per cent of Tier I capital.

### **Explanations:**

#### **On balance sheet assets**

(1) In these Directions, degrees of credit risk expressed as percentage weightages have been assigned to balance sheet assets. Hence, the value of each asset/item requires to be multiplied by the relevant risk

weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio. The risk weighted asset shall be calculated as the weighted aggregate of funded items as detailed hereunder:

<b><u>Items of assets –</u></b> <b><u>On-Balance Sheet items</u></b>	<b><u>Risk weight %age</u></b>
---	--------------------------------

(i) Cash	0
(ii) Bank balances and claims on banks including fixed deposits and certificates of deposits.	20
(iii) <u>Investments</u>	
(a) Central Government and State Government Securities	0
(b) Bonds of banks	20
(c) Fixed deposits/certificates of deposits/ bonds of public financial institutions	100
(d) Shares of all companies *and debentures/bonds/commercial papers of all companies and units of debt oriented/money market mutual funds	100

(\*As per paragraph 3(ii) of Mortgage Guarantee Companies Investment (Reserve Bank) Directions, 2008 shares of corporates can be acquired only in satisfaction of debt)

(iv) Current assets

(a) Loans and advances	100
(b) Loans to staff, if fully covered by superannuities, benefits & mortgage of flats/houses	20

(c ) Other loans to staff	100
(d) Other secured loans and advances	100
(e) Others ( including net stock on hire, bills purchased and discounted, etc.)	100
(v) <u>Fixed Assets</u> (net of depreciation)	
(a) Assets leased out (net book value)	100
(b) Premises	100
(c) Furniture & Fixtures	100
(d) Other fixed assets	100
(vi) <u>Other assets</u>	
(a) Income tax deducted at source (net of provision)	0
(b) Advance tax paid (net of provision)	0
(c) Interest due on Government securities	0
(d) Others	100

**Notes:**

- (1) Netting may be done only in respect of assets where provisions for depreciation or for bad and doubtful debts have been made.
- (2) Assets which have been deducted from owned fund to arrive at net owned fund shall have a weightage of `zero`.
- (3) While calculating the aggregate of funded exposure of a borrower for the purpose of assignment of risk weight, mortgage guarantee companies may net off the amount of cash margin/caution money/security deposits (against which right to set-off is available) held as collateral against the advances out of the total outstanding exposure of the borrower.

### **Off-balance sheet items**

(2) In these Directions, degrees of credit risk exposure attached to off-balance sheet items have been expressed as percentage of credit conversion factor. Hence, the face value of each item requires to be first multiplied by the relevant conversion factor to arrive at credit equivalent value of off-balance sheet item. The credit equivalent value of each item shall have to be again multiplied by the risk weight as applicable to the respective counterparties. The aggregate risk weighted value shall be taken into account for reckoning the minimum capital ratio. The credit equivalent value of the off-balance sheet items shall be calculated as per the credit conversion factors for non-funded items as detailed hereunder:

<b>Nature of item</b> -----	<b>Credit conversion factor – Percentage</b> -----
i) Financial & other guarantees	100
ii) Underwriting obligations in r/o capital investment such as shares/debentures, etc	50
iii) Partly-paid shares/debentures	100
iv) Lease contracts entered into but yet to be executed	100
v) Other contingent liabilities	50

**Note:** Cash margins/deposits shall be deducted before applying the conversion factor.

### **Loans against Mortgage Guarantee Company's own shares prohibited**

**13. (1)** No mortgage guarantee company shall lend against its own shares.

(2) Any outstanding loan against its own shares shall be recovered by the mortgage guarantee company as per the repayment schedule before grant of Certificate of Registration to it.

### **Concentration of credit/investment**

**14.** (1) No mortgage guarantee company shall lend to

- (a) any single borrower exceeding fifteen per cent of its owned fund; and
- (b) any single group of borrowers exceeding twenty five per cent of its owned fund.

(2) Every mortgage guarantee company shall formulate a policy in respect of exposures to a single party / a single group of parties.

#### **Notes :**

(1) For determining the limits, off-balance sheet exposures shall be converted into credit risk by applying the conversion factors as explained above.

(2) The investments in debentures for the purposes specified in this paragraph shall be treated as credit and not investment.

(3) These ceilings shall be applicable to credit exposure by such a mortgage guarantee company to companies/firms in its own group as well as to the borrower company's group.

### **Information in regard to change of address, directors, auditors, etc. to be submitted**

**15.** Every mortgage guarantee company shall communicate to Reserve Bank of India, not later than one month from the occurrence of any change in:

- (a) the complete postal address, telephone number/s and fax number/s of the registered/corporate office;
- (b) the names and residential addresses of the directors of the company;
- (c) the names and the official designations of its principal officers;
- (d) the names and office address of the auditors of the company; and
- (e) the specimen signatures of the officers authorised to sign on behalf of the company.

### **Exemptions**

16. The Reserve Bank of India may, if it considers it necessary for avoiding any hardship or for any other just and sufficient reason, grant extension of time to comply with or exempt any mortgage guarantee company or class of mortgage guarantee companies, from all or any of the provisions of these instructions either generally or for any specified period, subject to such conditions as the Reserve Bank of India may impose.

### **Interpretations**

17. For the purpose of giving effect to the provisions of these directions, the Reserve Bank of India may, if it considers necessary, issue necessary clarifications in respect of any matter covered herein and the interpretation of any provision of these directions given by the Reserve Bank of India shall be final and binding on all the parties concerned.

- (vii) ‘non-performing asset’ (NPA) for the purpose of income recognition on investments by mortgage guarantee companies means an asset, in respect of which, interest or principal or amortization obligations have remained overdue for a period of **90 days** or more.

(2) Other words or expressions used but not defined herein and defined in the Reserve Bank of India Act, 1934 (2 of 1934) or Mortgage Guarantee Company Prudential Norms (Reserve Bank) Guidelines, 2008 contained in Prudential Norms (MGC) No. DNBS.(PD) MGC 4 /CGM (PK) - 2008 dated February 15, 2008, shall have the same meaning as assigned to them under that Act or that Directions. Any other words or expressions not defined in that Act or that Directions, shall have the same meaning assigned to them in the Companies Act, 1956 (1 of 1956).

### **Investment Policy for Mortgage Guarantee Companies**

3. (i) A mortgage guarantee company shall invest only in the following instruments:

- a) Government Securities;
- b) Securities of corporate bodies / public sector undertakings guaranteed by Government;
- c) Fixed Deposit/Certificate of Deposits/bonds of Scheduled Commercial banks/PFIs;
- d) listed and rated debentures/bonds of corporates;
- e) fully debt oriented Mutual Fund Units;
- f) unquoted Government securities and Government guaranteed bonds.

(ii) No other investment including investment in subsidiaries and joint ventures would be permitted. However, a mortgage guarantee company may hold investments in equity shares of any company which may be quoted or unquoted or other unquoted investments acquired in satisfaction of its debts which shall be disposed of by the mortgage guarantee company within a

period of three years or within such period as extended by the Bank, from the date of such acquisition.

#### **Pattern of Investment**

4. (i) A mortgage guarantee company shall hold not less than 25% of its total investment portfolio in Central and State Government securities.

(ii) The remaining investments may be invested as the Board considers prudent, but with a ceiling of 25% in any one category i.e. listed and rated corporate bonds and debentures or debt oriented mutual fund units, etc.

(iii) The Board may fix an appropriate sub-limit for individual investments within each category of instruments as specified in paragraph 3(i) above of these directions.

(iv) The Minimum Investment Grade Rating (MIGR) assigned by the SEBI registered Rating Agencies would be the requirement for investment by MGC in bonds/debentures and debt oriented Mutual Funds.

#### **Income recognition**

5. (i) Mortgage Guarantee Companies may book income on accrual basis on securities of corporate bodies/public sector undertakings in respect of which the payment of interest and repayment of principal have been guaranteed by the Central Government or a State Government, provided interest is serviced regularly and as such is not in arrears.

(ii) Mortgage Guarantee Companies may book income from dividend on shares of corporate bodies on accrual basis provided dividend on the shares has been declared by the corporate body in its Annual General Meeting and the owner's right to receive payments is established.

(iii) Mortgage Guarantee Companies may book income from Government

securities and bonds and debentures of corporate bodies on accrual basis, where interest rates on these instruments are pre-determined and provided interest is serviced regularly and as such is not in arrears.

(iv) Mortgage Guarantee Companies should book income from units of mutual funds on cash basis.

### **Accounting of investments**

6. (1) All investments shall be marked to market;

Quoted investments shall, for the purposes of valuation, be grouped into the following categories, viz.,

- (a) Government securities including treasury bills,
- (b) Government guaranteed bonds/securities;
- (c) bonds of banks/ PFIs;
- (d) debentures/bonds of corporates; and
- (e) Units of mutual fund.

Quoted investments for each category shall be valued at cost or market value whichever is lower. For this purpose, the investments in each category shall be considered scrip-wise and the cost and market value aggregated for all investments in each category. If the aggregate market value for the category is less than the aggregate cost for that category, the net depreciation shall be provided for or charged to the profit and loss account. If the aggregate market value for the category exceeds the aggregate cost for the category, the net appreciation shall be ignored. Depreciation in one category of investments shall not be set off against appreciation in another category.

(2) Investments in unquoted Government securities or Government guaranteed bonds shall be valued at carrying cost.

(3) Unquoted investments acquired in satisfaction of its debts shall be valued as under:

(a) Unquoted investments in the units of mutual funds shall be valued at the net asset value declared by the mutual fund in respect of each particular scheme;

(b) Unquoted equity shares shall be valued at cost or break up value, whichever is lower. However, mortgage guarantee companies may substitute fair value for the break up value of the shares, if considered necessary. Where the balance sheet of the investee company is not available for two years, such shares shall be valued at Rupee one per company;

(c) Unquoted preference shares shall be valued at cost or face value, whichever is lower.

**Note:** Unquoted debentures shall be treated as term loans or other type of credit facilities depending upon the tenure of such debentures for the purpose of income recognition and asset classification.

7. The MGC with the approval of the Board shall frame an investment policy in tune with these directions.
