Master Direction- Reserve Bank of India (Priority Sector Lending –Targets and Classification) Directions, 2016

In exercise of the powers conferred by Sections 21 and 35 A of the Banking Regulation Act, 1949, the Reserve Bank of India being satisfied that it is necessary and expedient in the public interest so to do, hereby, issues the Directions hereinafter specified.

**CHAPTER – I
PRELIMINARY**

1. Short Title and Commencement

- (a) These Directions shall be called the Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2016.
- (b) These Directions shall come into effect on the day they are placed on the official website of the Reserve Bank of India.

2. Applicability

The provisions of these Directions shall apply to every Scheduled Commercial Bank {excluding Regional Rural Banks (RRBs) and Small Finance Banks (SFBs)} licensed to operate in India by the Reserve Bank of India.

3. Definitions/ Clarifications

- (a) In these Directions, unless the context otherwise requires, the terms herein shall bear the meanings assigned to them below:
 - (i) On-lending means loans sanctioned by banks to eligible intermediaries for onward lending only for creation of priority sector assets. The average maturity of priority sector assets thus created should be broadly co-terminus with maturity of the bank loan.
 - (ii) Contingent liabilities/off-balance sheet items do not form part of priority sector target achievement. However, foreign banks with less than 20 branches have an option to reckon the credit equivalent of off-balance sheet items, extended to borrowers for eligible priority sector activities, along with priority sector loans for the purpose of computation of priority sector target achievement. In that case, the credit equivalent of all off-balance sheet items (both priority sector and non-priority sector excluding interbank) should be added to the ANBC in

the denominator for computation of Priority Sector Lending targets.

- (iii) Off-balance sheet interbank exposures are excluded for computing Credit Equivalent of Off - Balance Sheet Exposures for the priority sector targets.
 - (iv) The term “all inclusive interest” includes interest (effective annual interest), processing fees and service charges.
- (b) Banks should ensure that loans extended under priority sector are for approved purposes and the end use is continuously monitored. The banks should put in place proper internal controls and systems in this regard.
- (c) All other expressions unless defined herein shall have the same meaning as have been assigned to them under the Banking Regulation Act or the Reserve Bank of India Act, or any statutory modification or re-enactment thereto or as used in commercial parlance, as the case may be.

CHAPTER - II

CATEGORIES AND TARGETS UNDER PRIORITY SECTOR

4. The categories under priority sector are as follows:

- (i) Agriculture
- (ii) Micro, Small and Medium Enterprises
- (iii) Export Credit
- (iv) Education
- (v) Housing
- (vi) Social Infrastructure
- (vii) Renewable Energy
- (viii) Others

The details of eligible activities under the above categories are specified in Chapter III.

5. Targets /Sub-targets for Priority sector

(i) The targets and sub-targets set under priority sector lending for all scheduled commercial banks operating in India are furnished below:

Categories	Domestic scheduled commercial banks and foreign banks with 20 branches and above	Foreign banks with less than 20 branches
Total Priority Sector	40 per cent of Adjusted Net Bank Credit [ANBC defined in sub paragraph (iii)] or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher.	40 per cent of Adjusted Net Bank Credit [ANBC defined in sub paragraph (iii)] or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher; to be achieved in a phased manner by 2020 as indicated in sub paragraph (ii) below.
Agriculture	18 per cent of ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher. Within the 18 per cent target for agriculture, a target of 8 percent of ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher is prescribed for Small and Marginal Farmers. ##	Not applicable
Micro Enterprises	7.5 per cent of ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher	Not applicable
Advances to Weaker Sections	10 percent of ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher	Not applicable

Additionally, domestic banks are directed to ensure that the overall lending to non-corporate farmers does not fall below the system-wide average of the last three years achievement. All efforts should be maintained to reach the level of 13.5 percent direct lending to the beneficiaries who earlier constituted the direct agriculture sector. The applicable system wide average figure as applicable to domestic banks and made applicable for foreign banks with 20 branches and above from FY 2019-20, for computing achievement under priority sector lending will be notified every year. For FY 2019-20, the applicable system wide average figure is 12.11 percent.

(ii) The Total Priority Sector target of 40 percent for foreign banks with less than 20 branches has to be achieved in a phased manner as under:-

Financial Year	The Total Priority Sector as percentage of ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposure, whichever is higher
2015-16	32
2016-17	34
2017-18	36
2018-19	38
2019-20	40

The additional priority sector lending target of 2 percent of ANBC each year from 2016-17 to 2019-20 must be achieved by lending to sectors other than exports. The sub- targets for these banks, to be made applicable post 2020, would be decided in due course.

The computation of priority sector targets/sub-targets achievement will be based on the ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposures, whichever is higher, as on the corresponding date of the preceding year. For the purpose of priority sector lending, ANBC denotes the outstanding Bank Credit in India [As prescribed in item No.VI of Form ‘A’ under Section 42 (2) of the RBI Act, 1934] minus bills rediscounted with RBI and other approved Financial Institutions plus permitted non-SLR bonds/debentures under Held to Maturity (HTM) category plus other investments eligible to be treated as part of priority sector lending (e.g. investments in securitised assets). The outstanding deposits under RIDF and other funds with NABARD, NHB, SIDBI and MUDRA Ltd. in lieu of non-achievement of priority sector lending targets/sub-targets will form part of ANBC. Advances extended in India against the incremental FCNR (B)/NRE deposits, qualifying for exemption from CRR/SLR requirements, as per the Reserve Bank’s circulars [DBOD.No.Ret.BC.36/12.01.001/2013-14 dated August 14, 2013](#) read with [DBOD.No.Ret.BC.93/12.01.001/2013-14 dated January 31, 2014](#) and DBOD mailbox clarification issued on February 6, 2014 will be excluded from the ANBC for computation of priority sector lending targets, till their repayment. The eligible amount for exemption on account of issuance of long-term bonds for infrastructure and affordable housing as per Reserve Bank’s circular [DBOD.BP.BC.No.25/08.12.014/2014-15 dated July 15, 2014](#) will also be excluded from the ANBC for computation of priority sector lending targets. *Investments made by public sector banks in the Recapitalization Bonds floated by Government of India will not be taken into account for the purpose of calculation of ANBC.* For the purpose of calculation of Credit Equivalent Amount of Off-Balance Sheet Exposures, banks may be guided by the Master Circular on Exposure Norms issued by our Department of Banking Regulation.

Computation of Adjusted Net Bank Credit (ANBC)

Bank Credit in India [As prescribed in item No.VI of Form ‘A’ under Section 42(2) of the RBI Act, 1934]	I
Bills Rediscounted with RBI and other approved Financial Institutions	II
Net Bank Credit (NBC)*	III (I-II)
Bonds/debentures in Non-SLR categories under HTM category + other investments eligible to be treated as priority sector + Outstanding Deposits under RIDF and other eligible funds with NABARD, NHB, SIDBI and MUDRA Ltd on account of priority sector shortfall + outstanding PSLCs	IV
Eligible amount for exemptions on issuance of long-term bonds for infrastructure and affordable housing as per circular DBOD.BP.BC.No.25/08.12.014/2014-15 dated July 15, 2014 .	V
Eligible advances extended in India against the incremental FCNR(B)/NRE deposits, qualifying for exemption from CRR/SLR requirements	VI
Investments made by public sector banks in the Recapitalization Bonds floated by Government of India	VII
ANBC	III+IV-V-VI-VII

* For the purpose of priority sector computation only. Banks should not deduct / net any amount like provisions, accrued interest, etc. from NBC.

It has been observed that some banks are subtracting prudential write off at Corporate/Head Office level while reporting Bank Credit as above. In such cases it must be ensured that bank credit to priority sector and all other sub-sectors so written off should also be subtracted category wise from priority sector and sub-target achievement.

All types of loans, investments or any other items which are treated as eligible for classification under priority sector target/sub-target achievement should also form part of Adjusted Net Bank Credit.

- (v) The loan is without collateral.
 - (vi) Loan is repayable by weekly, fortnightly or monthly instalments at the choice of the borrower.
- (c) Further, the banks have to ensure that MFIs comply with the following caps on margin and interest rate as also other ‘pricing guidelines’, to be eligible to classify these loans as priority sector loans.
- (i) Margin cap: The margin cap should not exceed 10 percent for MFIs having loan portfolio exceeding ₹100 crore and 12 percent for others. The interest cost is to be calculated on average fortnightly balances of outstanding borrowings and interest income is to be calculated on average fortnightly balances of outstanding loan portfolio of qualifying assets.
 - (ii) Interest cap on individual loans: With effect from April 1, 2014, interest rate on individual loans will be the average Base Rate of five largest commercial banks by assets multiplied by 2.75 per annum or cost of funds plus margin cap, whichever is less. The average of the Base Rate shall be advised by Reserve Bank of India.
 - (iii) Only three components are to be included in pricing of loans viz., (a) a processing fee not exceeding 1 percent of the gross loan amount, (b) the interest charge and (c) the insurance premium.
 - (iv) The processing fee is not to be included in the margin cap or the interest cap
 - (v) Only the actual cost of insurance i.e. actual cost of group insurance for life, health and livestock for borrower and spouse can be recovered; administrative charges may be recovered as per IRDA guidelines.
 - (vi) There should not be any penalty for delayed payment.
 - (vii) No Security Deposit/ Margin is to be taken.
- (d) The banks should obtain from MFI, at the end of each quarter, a Chartered Accountant’s Certificate stating, inter-alia, that the criteria on (i) qualifying assets, (ii) the aggregate amount of loan, extended for income generation activity, and (iii) pricing guidelines are followed.

20. Co-origination of loans by Banks and NBFCs for lending to priority sector

All scheduled commercial banks (excluding Regional Rural Banks and Small Finance Banks) may engage with NBFC-ND-SIs (hereinafter referred to as NBFC) to co-originate loans for the creation of priority sector assets. The arrangement should entail joint contribution of credit at the facility level, by both lenders. It should also involve sharing of risks and rewards between the bank and the NBFC for ensuring appropriate alignment of respective business objectives, as per the mutually decided agreement between the bank and the NBFC. Detailed guidelines, in this regard, have been issued vide our [circular No. FIDD.CO.Plan.BC/08/04.09.01/2018-19 dated September 21, 2018](#).

21. Bank loans to NBFCs for on-lending

(a) Bank credit to registered NBFCs (other than MFIs) for on-lending will be eligible for classification as priority sector under respective categories subject to the following conditions:

(i) Agriculture: On-lending by NBFCs for ‘Term lending’ component under Agriculture will be allowed up to ₹ 10 lakh per borrower.

(ii) Micro & Small enterprises: On-lending by NBFC will be allowed up to ₹ 20 lakh per borrower.

(b) Banks can classify only the fresh loans sanctioned by NBFCs out of bank borrowings, on or after August 13, 2019. However, loans given by HFCs under the existing on-lending guidelines will continue to be classified under priority sector by banks. Bank credit to NBFCs and HFCs for On-Lending will be allowed upto a limit of five percent of individual bank’s total priority sector lending on an ongoing basis. Further, the above dispensation shall be valid for the FY 2019-20 and will be reviewed thereafter. However, loans disbursed under the on-lending model will continue to be classified under Priority Sector till the date of repayment/maturity.

22. Monitoring of Priority Sector Lending targets

To ensure continuous flow of credit to priority sector, the compliance of banks will be monitored on ‘quarterly’ basis. The data on priority sector advances has to be furnished by banks at quarterly and annual intervals as per the reporting formats prescribed vide [Circular FIDD.CO.Plan.BC.No.17/04.09.001/2016-17 dated October 6, 2016](#) on Priority Sector Lending – Revised Reporting System.

23. Non-achievement of Priority Sector targets

Scheduled Commercial Banks having any shortfall in lending to priority sector shall be allocated amounts for contribution to the Rural Infrastructure Development Fund (RIDF) established with NABARD and other Funds with NABARD/NHB/SIDBI/ MUDRA Ltd. , as decided by the Reserve Bank from time to time. The achievement will be arrived at the end of financial year based on the average of priority sector target /sub-target achievement as at the end of each quarter.

While computing priority sector target achievement, shortfall / excess lending for each quarter will be monitored separately. A simple average of all quarters will be arrived at and considered for computation of overall shortfall / excess at the end of the year. The same method will be followed for calculating the achievement of priority sector sub-targets. (Illustrative example given in Annex)

The interest rates on banks’ contribution to RIDF or any other Funds, tenure of deposits, etc. shall be fixed by Reserve Bank of India from time to time.

The misclassifications reported by the Reserve Bank's Department of Banking Supervision would be adjusted/ reduced from the achievement of that year, to which the amount of declassification/ misclassification pertains, for allocation to various funds in subsequent years.

Non-achievement of priority sector targets and sub-targets will be taken into account while granting regulatory clearances/approvals for various purposes.

24. Common guidelines for priority sector loans

Banks should comply with the following common guidelines for all categories of advances under the priority sector.

(i) Rate of interest

The rates of interest on bank loans will be as per directives issued by our Department of Banking Regulation from time to time.

(ii) Service charges

No loan related and adhoc service charges/inspection charges should be levied on priority sector loans up to ₹25,000. In the case of eligible priority sector loans to SHGs/ JLGs, this limit will be applicable per member and not to the group as a whole.

(iii) Receipt, Sanction/Rejection/Disbursement Register

A register/ electronic record should be maintained by the bank, wherein the date of receipt, sanction/rejection/disbursement with reasons thereof, etc., should be recorded. The register/electronic record should be made available to all inspecting agencies.

(iv) Issue of Acknowledgement of Loan Applications

Banks should provide acknowledgement for loan applications received under priority sector loans. Bank Boards should prescribe a time limit within which the bank communicates its decision in writing to the applicants.

Priority Sector Target Achievement- Calculation of shortfall / excess**Illustrative example:**

Tables No.1 and 2 below illustrate the method followed for computation of shortfall / excess in priority sector target achievement at the end of the financial year under the revised PSL guidelines.

(Table 1)			
Amount in ₹ crore			
Quarter ended	PSL targets	Priority Sector Amount Outstanding	Shortfall / Excess
June	329615	316938	-12677
September	308826	311945	3119
December	317694	319291	1596
March	324560	321347	-3213
Total	1280698	1269522	-11175
Average	320174	317380	-2793

(Table 2)			
Amount in ₹ crore			
Quarter ended	PSL targets	Priority Sector Amount Outstanding	Shortfall / Excess
June	329615	327967	-1648
September	308826	312378	3551
December	317694	327225	9530
March	324560	321315	-3245
Total	1280698	1288886	8188
Average	320174	322221	2047

In the example given in Table - 1, the bank has overall shortfall of ₹2793 crore at the end of the financial year. In Table – 2, the bank has overall excess of ₹2047 crore at the end of the financial year.

The same method will be followed for calculating the achievement of quarterly and yearly priority sector sub-targets.

Note: The computation of priority sector targets/sub-targets achievement will be based on the ANBC or Credit Equivalent Amount of Off-Balance Sheet Exposures, whichever is higher, as at the corresponding date of the preceding year.
