S.No.	Query / Suggestion by firm(s)	Bank's Remarks
1.	Clarification regarding Corrigendum.	<p>It was apprised to all the participants that a Corrigendum has been issued by the Bank.</p> <p>“It is for the information of all the bidders that in the financial bid section of the e-tender the monthly quoted price is Twice getting multiplied by 12 instead of once. The bidders may therefore continue to quote their monthly remuneration regardless of the final figure arriving thus. While opening the financial bids, the final figure so arriving will be divided by 12 to get the final quoted price.”</p> <p>It was further added that the corrigendum has been emailed to all the eligible participants. All the other terms and conditions of the e-tender shall remain unchanged.</p>
2.	Queries related to MSTC User Id and Digital Certificate.	Participating CA firms have provided their MSTC UserID. The issues related to their Digital Certificate have been addressed.
